School Announcements

Announcements will now be created using an online form located on the Medical Academy site. All announcements must be submitted no later than 5 PM for the following morning. Any announcement(s) not submitted by 5 PM the previous day, will not be announced. Student representatives will no longer be able to submit announcements for approval to the front office.

We would like to limit announcements to mornings only, however, if your announcement must be read at any other time, please specify in the text box.

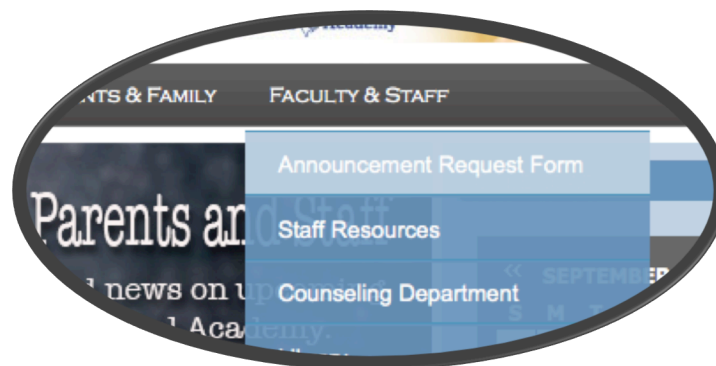

Go to <http://medicalacademy.stisd.net> and select the login on the upper right side of the page (**Link will only appear after you login**).
